8

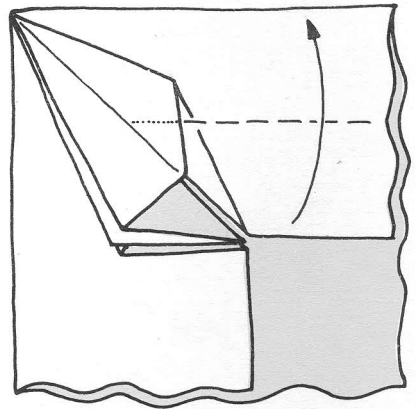

9

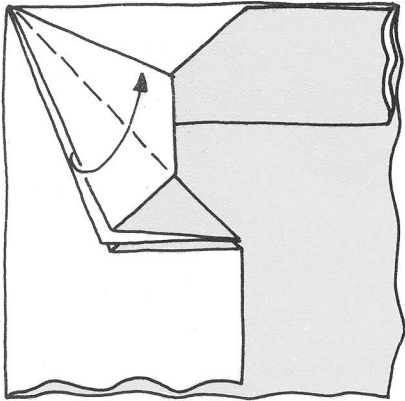

10

11

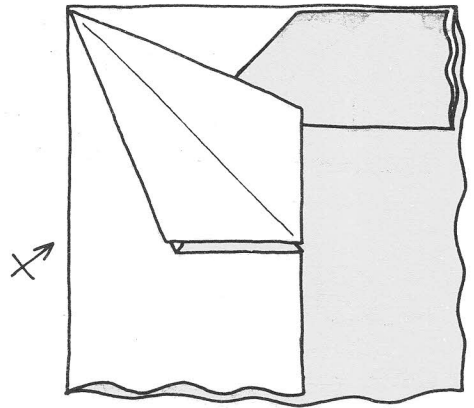

12

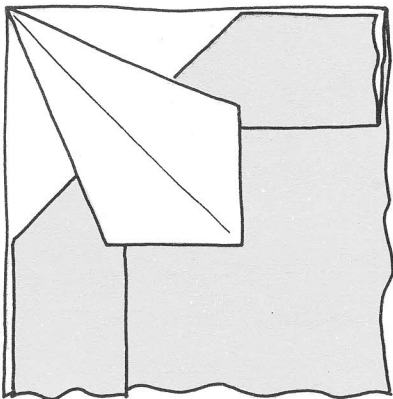

13

ripeti i passaggi 10.11 e 12 anche sull'altro lato

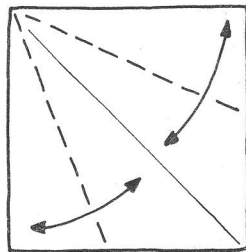

14

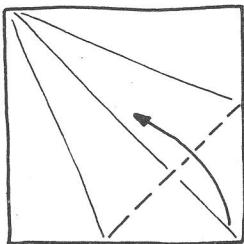

14a

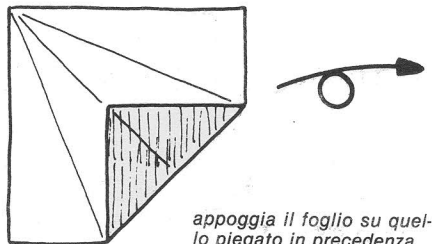

prepara a parte un quadrato rosso da una faccia; il lato deve essere 1/4 del lato minore del rettangolo iniziale.

14b

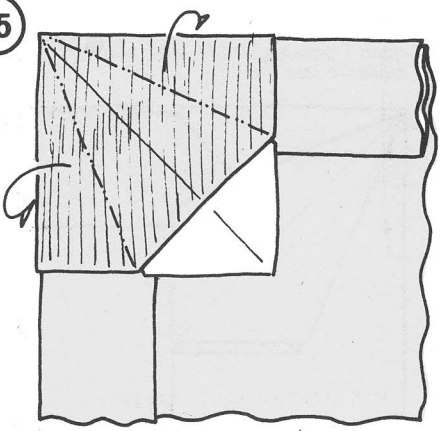

14c

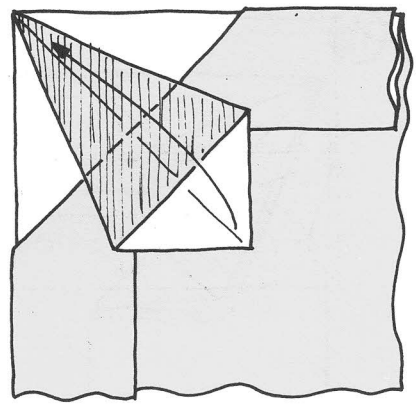

appoggia il foglio su quello piegato in precedenza

piega a monte, bloccando il foglio con quello sottostante
